## New Golfer Lesson Series and On-Course Play Sessions

The new golfer lesson series consists of group classes offered by golf professionals designed to teach the basics of the game of golf. Classes are offered at times to meet the needs of busy professionals.

The lessons are designed to teach the essentials to start out right in the game including: setup and posture, equipment, swing, short game, putting, basic rules & etiquette and more.

Classes will be offered in the spring and summer by our professional partners:

- ◆ Ingrid Gallo, LPGA at Begin Oaks GC in Plymouth ([www.ingridgallo.com](http://www.ingridgallo.com))
- ◆ The Golf Institute with Dee Forsberg, PGA Transitioning to Brookview Golf Course ([www.umgolf.com](http://www.umgolf.com))
- ◆ Mindful Golf new golfer programs with Michael Turnbull ([www.mindfulgolf.com](http://www.mindfulgolf.com))

## Learn the Lingo: From Class to the Golf Course

The EWGA offers mentoring opportunities for new golfers to all members. The "Fairway Friends" program is designed to pair newer golfers with experienced mentors.

The new golfer "mentee" is typically transitioning from instruction to playing golf. Mentors help with basic golf etiquette, pace of play, and basic rules. The goal is to give our new golfers an understanding of the nuances of golf and have fun on the course.

## League Options for New Golfers

The Minnesota Metro Chapter offers league options for newer golfers. The Chapter can assist you in finding a league geared for newer golfers based on the difficulty of the golf course.
