The order of substitutions is based on the final results on the day of the Chapter/Semi-final competition.

Outside of the 3 day window, the team must promptly notify the EWGA in order to insure an alternate team fair opportunity to play. Failure to comply may result in disqualification from future EWGA Championships.

Substitutions: Substitutions will be considered for conditions that arise after registration into the local qualifying round of the Championship has been received. Only two original amateur substitutions will be allowed during the duration of the tournament. More than two substitutions will not be allowed, as the team will no longer have the identity of the team that played at the Chapter level. If a team is unable to comply, the next place team from the previous level will advance in their place.

A Substitution Request Form must be submitted to the EWGA Championship office. The substitution player's handicap index dated at the time of form submission must fall within the same individual handicap factor range as the original player's from the previous level of competition. Requests will be reviewed and decisions will be provided as soon as possible. Once a player has been substituted for, she cannot return to the team later in the series.

Within 5 days of a competition, if an emergency arises which prevents one competitor from playing and that team is unable to find an appropriate substitute, the team may compete with a 3-women team as long as they were already registered and eligible to play as a 4-women team. The Team Computation Factor will be recalculated using the indexes of the three players and the +2/-5 parameters will be disregarded. Four drives will be required from each of the three players. A request must be sent to the Championship office. The Championship Committee reserves the right to disallow a 3-women team when appropriate.
