**Activate your EWGA Golf Life Management System Account**

This process will synchronize the data between the EWGA Members Only system and the EWGA Golf Life Management System. In the EWGA Golf Life Management System you will be able to post scores and obtain an official USGA Handicap Index (or an official RCGA Handicap Factor for Canadian members) as well as many more exciting features related to your golf experience as an EWGA member!

When your account is established, you will receive an email from the EWGA Golf Life Management System welcoming you to the program. Then you will be all set to login and start using the great features of this system!
